Code of fair business practices

As a distributor of natural and vegan cosmetics, we have established a code of fair business practice that serves as a basic guideline for our daily actions. We are committed to transparent and ethical behaviour in all areas of our business. We will abide by all applicable laws and regulations regarding the trade of cosmetic products and ensure strict compliance. Our partners and customers will always know what they can expect from our cooperation and can rely on fair treatment regardless of the circumstances. We are also committed to providing quality products and services that meet the highest standards and expectations of our customers. We will actively work to develop long-term relationships with all our partners, listen to their needs and work together to find ways to mutually benefit each other. Our goal is to be a reliable and trustworthy partner for all stakeholders and to actively contribute to the development and prosperity of the natural and vegan cosmetics market.

Sincerely,
